BREED THEATER

"Last Rites of the Maine, and Burial of Its Dead"--Official Production Under U. S. Navy Department.

speciacle, the feature at the Breed to day, is entitled "Last Rites of th Maine, and Buriai of Its Dean," which is the only motion proture made under the efficial aussices of the United States navy department. In this Dim is seen all the important events in the

thousand feet constitute this beautiful film, and every inch of it contains incidents that will thrill you with patriotism and admiration, for it

the Auditorium has offered many big sets this senson, but the largest of them all, in the number of people employed, is the Nine Ginger Kids, which will be seen at this theater to-day and the first half of the week. There are nine people in this act, and all of them work on the singe. The art is sired as vaudevile's greatest omedy school nevelty, and it is a well arranged combination of music, molody and martin. This art is becked in here direct from New York, and something sairs good is looked for. Don't miss the biggest art of the senson.

misses have a wall put together navalty which gives them an opportant paying spinal to be found in this navalty which gives them an opportant paying spinal to be found in this navalty which gives them an opportant paying section of the country, through which tunity to display some beautiful Mr. Shipper's business is attracted.

William Frazer, a lineman for the Western Union Telegraph company, with headquarters in Putnam, is reminded by the wreck of the Titanks of and stories on the market. Miss Howe is the possessor of an exceptionally good voice, which she displays to good advantage in the carefully selects ed numbers she slags.
A specially arranged bill of moving

pictures has been selected for Menday including beight comedy and drama intermingied.

POLI'S BROADWAY THEATER.

Durkin's Minstels Tonight.

By popular request, the splendid Durkin's Minstreis will again appear on the boards at \$.15 this evening.

Tomorrow evening Si Perkins will and will extend the hospitality of the hig theater in his original manner. Special attention is called to the new arrangement of new pictures every day. The management is also planning to present a new special feature of merit for every evening in the management of new special feature of merit for every evening in the management of the special feature of merit for every evening in the management of the special feature of merit for every evening in the special feature of merit for every evening in the special feature of the special feature of the party to be special in Dridgesort May 1 and 2. Those selected were Representative Frank P. Wattreen, Vernon H. Wetherell, Patrick A. feature of the evening's entertainment was the tenor solos of George Work Novel Features.

Dance With Novel Features.

Collins' singing orchestra of Mari-boro, Mass., played at a social dance given in Union hall Saturday evening's entertainment was the tenor solos of George Work Novel Features.

ORPHEUM THEATER, DANIELSON

The Big-City Show at Small Prices.

The opening bill for the Newplay week's engagement on Monday, April 21 at Orphaum theater, Danielson, will be The Unwritten Law, followed or At the Risk of His Lafe, The Silver Deger; A Good Fellow; The Man of Mystery; Whose Baby Ara You? This company is composed of some of the best stock actors that can be engaged to myel, playing a line of plays new to stock and repertoirs, the mays never having been produced outside the larger oftices at high prices. We are giving the same plays at popular prices. 10. the same plays at popular prices, 10-26-28c; also good, up to date vande-ville borween the acts. Ladies' bar-gain night, Monday. 15c for ladies, limited number of lickets. Matines Saturday 19-10c. Seats on sale at

DANIELSON

Rev. Russell L. Conwell Secured to Deliver Commencement Address-Democrats Elect Delegates to State Convention.

Miss Kathleen Burns of Hartford

Mrs. Hurry Pilot of Providence has them into this treently been the guest of Mrs. Lydia Righty of the Taft.

Dr. Rienzi Robinson's Condition Hopeful.

The latest letter from Mrs. Rienzi Kobinson as to the condition of her husband. Dr. Robinson, contains the information that his chances of recovcry are now so favorable as to give encouragement that he will eventually be well again, but that he is not yet out of danger.

REV. RUSSELL H. CONWELL

as where the Connecticut commission has been getting its quall, has resulted in an order forbidding shipments for the time being.

This is taken to mean that no more quall from the west will be received here this year, as before the embargo here this year, as before the embargo here this year, as before the commission has been getting its quall, has resulted in an order forbidding shipments for the time being.

To Deliver Commencement Address at Killingly High School.

Rev. Russell II. Conwell, paster of is seen all the important events in the disposal of the lin-fated battleaning. Wholly concusted with barnacles, the great stip is seen towed to its final resting place, where the most beautiful of all inwal ceramonies are performed as the old fighting craft plunges to the depths where it is to remain forever. Solemn and seautiful tributes are paid the dead heroes, in the touching corresponding and the final interment of the remains of the many who went to the feath nobic fighting for the country.

One thousand feet constituts this the Buptist temple, Philadelphia, has accupted the invitation of the town

Members of Senior Class.

Following are the members of the sentor class of Killingly school: Miss with patriotism and admiration, for it is a subject that no one can afford to miss. Besides this monater attraction the bill will include a very dramatic Bigspaph story, entitled The Root of All Ewil, in which a child averts the numbers of a despicable villain.

Aurore Belanger, Earle Erearley, Leon-ard Bugbes, James Caffrey, Paul Chapman, Lorimer Dixon, Althea Downs, Elste Eastment, Bertha Franklin, Berthall Ewil, in which a child averts the numbers of a despicable villain. purpose of a despicable villain,

To Decide About Fire Alarm Striker.
Chief A. F. Woodward of the fire department has received notice that a representative of the company that is to supply fine aunitiary fire alarm striker is to be here this week. This man will make an investigation as to what is needed in the way of a bell and striker.

Dr. Rienvi Rabinson's Condition the fire towns of Brooklyn, Hampton and Killingty. Several hundred quall were to be

distributed throughout Connecticut in addition to the number released this year, but the discovery by government officials of quall disease among the birds in one pen shipped from Kan-sas, where the Connecticut commis-

is lifted it will probably be too warm to make successful shipments.

Rev. Hugh Brown to Speak,

Dr. Hugh Brown of Hartford is to come to Putnam Tuesday evening to make an address at a banquet of the members of the Christian Endeavor society of the Congregational church. The officers of the organization have been planning for the affair for several weeks, and it is expected that it will be one of the very interesting events of the church year.

Merely Near-Muzzles.

Some of the muzzles being worn dogs in Putnam are nothing less than a joke. The flimsy combination of straps that passes muster for anti-biting apparatus has no more effect from restraining dogs inclined to take a nip out of another like animal than a mouth binding of store twine would be. This was illustrated Saturday afternoon in the business section by a noble looking shepherd that tested his teeth in the back of a little terrier that he did not seem to like the looks

Local Patients at Hospital

Danielson is well represented in the May Preston, Francis Rollins, Evelyn Salman, Oliver Season, Lester Shippee, Grace Talmadge, Aaron Viali, Myra Salman, Oliver Season, Lester Shippee, Grace Talmadge, Aaron Viali, Myra Wells, Lester Williams, Bertin White.

The class day exercises are to be held on the afternoon of June 20.

Walls the programme is not yet complete the following honors have been assigned: Address of welcome Francis because of its environment and result.

POETRY.

THE COSTMONDERON, The joys that garment averyd. The incommonated unseen them. That keep the common way.

The routine sun that all the read Has kept his one unchanged planurmuring through done and said. A smile upon his face.

Man's life is like a little read That runs beside a cabin case, Feeling its way among the for That bloom forevermers.

and hedged about by common thing.
That change not as the years was the ancient landmarks lead him on Toward the homing sky.

The heavanir glory does not bide Far off in some sequestered plane. The morning's opening door reveals God in the daisy'n face. St. Paul Dispand

A REVERSER. Hast thou forgot the remarks fight Of setting sun on Alpine answer! Heat thou forgot the starry night. The wooden bridge, and borrent's flow! Hast thou forgot the wicknessed pitcht Of long ago?

Have other vows replaced the old?

Have other scenes brest on the rise?

Have other tales of love been told?

And do they seem to thee more true?

Speak dearest, speak, was that lave
gold

That I gave you?

Pure gold, or droze, 'twas all mire and I gave it, and I give it still;
Though happy days have onward flower,
Remembrance lingers by that ril;
Where autumn seeds are deeply sewn
No frost shall kill!
—Richard Edgesumbe.

HUMOR OF THE DAY

"There goes a man whose life is nothing but one long regret." "Mercy, How sad. What is he" "An editor."

-Satire. Knicker-Think we shall over talk to Mara? Bocker—No, if it were possible my wife would never have overlooked it.—New York Sun.

"Did the eruption of Vesuvius great-ly impress you?" "Why, no. I'd seen it before in moving pictures."—Cleve-land Plain Dealer. Doctor A-So Higgins died after all.

I thought the operation was going be a success. Surgeon B-It was W collected the bill in advance. Life. Mr. Younghubby-What are you cry ing for, dear? Mrs. Younghubby-Why, I boiled this can of pork and beans for two hours and the can won't come off.-Boston Advertiser. Mr Mergan-What proof have you

str, if they were not genuine you could have them for half price.—St Louis Post-Despatch. "No. Mr. Rogerson, I cannot be you wife." (Quickly recovering himself,)
"Well, that ends it. May I ask you.
Miss Lodemia, if you are carrying all

of the genuineness of these things Art Dealer Proof? Why, my deal

the life insurance you want?" cago Tribune. Mrs, Proudman-Our Willy got meritorious commendation at school last week. Mrs. O Bull—Well, well! Aint it awful, the number of strange dis-cases that's ketched by school chil-dren?—Tit Bits.

Farmer-I see you're painting these old trees. Artist-What's that got to do with you? Get on with your work. Farmer-Well, since my work is to cut them down, you'd better get on with yours.—Pele Mele.

THE KALEIDOSCOPE Travelers from Japan report mucii activity in Japanese shipyards, where 100 steam trawlers are under construction it is stated.

There are 19 motor lifeboats in use on the coasts of Great Britain, of which 15 were built specifically for this purpose and four are lifeboats of the old type converted. A project is on foot for lighting Co-penhagen by means of a submarine cable connecting the great hydraulic plant at Trollbatten, Nerway, An under sea electric line is somewhat

of a novelty and the results will be watched with interest. The region about Bernwala in Ceylon, was not long ago afflicted with a veritable plague of smalls. Though these animals are extraordinarily prolific, they do not often appear in suf-

ficiently large numbers to make them selves obnoxious. Among the migrating birds it is found that some of the longest journeys are made by the smallest birds. The humming bird sces from the middle states of America to Mexico, and even as far as South America, and back again even year.

back again every year,

Division was formerly indicated by placing the dividend above the hori-zontal line and the divisor below. In corder to save space in printing the dividend was placed to the left and the divisor to the right, with a simple dot in place of each. A gold deposit of exceptional rich -

from Chita. It is reported that there is more than one pound of gold to one and one-balf tens of gravel. The British coal strike has caused considerable number of mills and workshops to resort to short time, not only in order to economize the coal supplies, but also to mitigate the effects of decreased employment by spreading it over an extended

The revolution in China has seriously interfered with the imports of glaseng, and for the past file or six months the Hongkong market for the root has been greatly depressed While that is the chief market of this drug the chief consumption is in North

An electrical cost weighing muchine

Electricity Weighing Coal.

An electrical coal weighing machine operated by opening and closing an electric circuit, has been placed on the market. The operation of the market. The operation of the market. The coal is made to run into the hopper by means of a vibrator, which is connected directly to a motor by a shaft. This vibrator, which is off center, weighs two ounces, but is revolved at a speed sufficiently high to shake the chute and cause the coal. to shake the chute and cause the ceal to run into the hopper. When the coal has filled the hopper

to a point which will counterbalance the weight beam trips a switch, stops the motor and vibrator and by magnetic releases the discharge gate, allows the coal to run out. As the hepper, relieved of its load, rises, the weight arm again actuates a con-trolling device, which closes the dis-charge gate, starts the motor and the White Egg strain—true fawn and white
